Balanced Scorecard: Data Dictionary

**CONNECTION AND ENTRY INDICATORS**

1. **Access** – The percentage of Butte College applicants in the selected or previous year who enroll at any California Community College in the given year.

2. **Course Success** – The percentage of census enrollments earning a grade of A, B, C, or P for the examined time period. Displayed separately for all credit courses, transfer-level courses, CTE courses, basic skills courses, and distance education.

3. **Retention Fall to Spring** – Among all students, the proportion retained from fall to spring in the selected year, excluding students who completed an award or transferred to another postsecondary institution.

4. **Financial Aid** – The number of students in the selected year who received Pell or California Promise Grants.

5. **Distance Education** – The number of sections, student headcount, and enrollments in online courses during the given year.

6. **High School Enrollment** – The number of high school students taking Butte College coursework during the given year.

**PROGRESS AND COMPLETION INDICATORS**

1. **Transfer Level Completion (English, Math)** – The percentage of first-time students who completed transfer-level math or English in their first academic year of credit enrollment within the district.

2. **Students Earning Awards** – The number of students earning an award within the given year by type.

3. **Certificates Completed** – The number of Chancellor’s Office approved certificates completed for the given academic year.

4. **Degrees Completed** – The number of associate degrees completed for the given academic year.

5. **Median Units to Degree** – Among all Butte students who earned an associate degree in the selected year, and who were enrolled in the previous or selected year, the average number of units
earned in the California community college system among students who had completed at least 60 units at any community college.

6. Transfers – The number of students who transfer to 4-year institutions, including CSU, UC, and private schools.

**Progress and Completion Outcomes – CTE**

1. **CTE Completion** – Among all students, the proportion who successfully completed nine or more career education units in the given year.

2. **Licensure Pass Rates** – For CTE programs leading to state certification, the percentage of program graduates who successfully passed the required exams.

3. **Secured Employment** – Among all Butte College students who exited the community college system and did not transfer to any postsecondary institution, the proportion of students who were unemployed and became employed after exiting college.

4. **Job Closely Related to Field of Study** – Among all students who responded to the CTE Outcomes Survey and did not transfer to any postsecondary institution, the proportion who reported that they are working in a job very closely or closely related to their field of study.

5. **Overall Median Earnings** – Among all Butte College students who exited the community college system and who did not transfer to any postsecondary institution, median earnings following the academic year of exit.

6. **Overall Median Earnings Change** – Among all Butte College students who exited the community college system and who did not transfer to any postsecondary institution, median change in earnings between the second quarter prior to the academic year of entry and the second quarter after the academic year of exit from the last college attended.
