The purpose of this procedure is to provide a prompt and equitable means to address violations of the Standards of Student Conduct, which guarantees to the student or students involved the due process rights guaranteed them by state and federal constitutional protections. This procedure will be used in a fair and equitable manner, and not for purposes of retaliation. It is not intended to substitute for criminal or civil proceedings that may be initiated by other agencies.

These Administrative Procedures are specifically not intended to infringe in any way on the rights of students to engage in free expression as protected by the state and federal constitutions, and by Education Code Section 76120, and will not be used to punish expression that is protected.

Disciplinary action involving students is primarily the responsibility of the Vice President for Student Services. Disciplining students is a means of protecting the rights and privileges of each member of the campus community, as well as protecting College property.

The procedures described herein are designed to protect students from the imposition of unfair disciplinary action. It is the right of every student to request due process. In order to file an appeal against disciplinary action, the individual must be currently enrolled or must have been enrolled at the time of the alleged violation.

Written notice of the Vice President’s or designee’s decision shall be provided to the student. The notice will include the right of the student to request a formal hearing before expulsion is imposed, and a copy of this policy describing the procedures for a hearing.

**Disciplinary Hearing Procedures:**

**Request for Hearing.** Within ten (10) days after receipt of the Vice President’s or designee’s decision regarding a long-term suspension or expulsion, the student may request a formal hearing. The request must be made in writing to the Vice President for Student Services or designee.

**Schedule of Hearing.** The formal hearing shall be held within ten (10) days after a formal request for hearing is received.

**Hearing Panel (Judicial Council).** The hearing panel for any disciplinary action shall be the Judicial Council, which shall be composed of two students selected by the President of the Associated Students, two faculty members selected by the President of the Academic Senate and one administrator selected by the College President or designee.

The Superintendent/President, the President of the Academic Senate, and the Associated Students’ President shall each, establish a list of at least three persons who will serve on student disciplinary hearing panels. The Superintendent/President or designee shall appoint the hearing panel from the names on these lists. However, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

**Hearing Panel (Judicial Council) Chair.** The Vice President for Student Services shall appoint one member of the Judicial Council to serve as the chair. The decision of the Council chair shall be final on all matters relating to the conduct of the hearing unless there is a majority vote by the other members of the Council to the contrary.

**Conduct of the Hearing.**

The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins.

The facts supporting the accusation shall be presented by a college representative who shall be the Vice President for Student Services or designee.

The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter. Students must send witness lists to the Office of the Vice President for Student Services no later than six (6) instructional days prior to the hearing.

Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

Unless the Judicial Council determines to proceed otherwise, the college representative and the student shall each be permitted to make an opening statement. Thereafter, the college representative shall make the first presentation, followed by the student. The college representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the college representative to prove by substantial evidence that the facts alleged are true.

The student may represent him or herself and may be accompanied at the hearing by someone of his or her choice to act as support and this person may not be an attorney. The student must present his or her own case; the student’s supporting individual may not present the student’s case.
Hearings shall be closed and confidential unless the student requests that the hearing be open to the public. Any such request must be made no less than five (5) days prior to the date of the hearing.

In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

The hearing will be recorded. Either party or both parties may request a copy of the recording. Either party may provide their own recording device or stenographer at their own cost. Witnesses who refuse to be recorded or sworn in at the hearing may not testify. In the event the hearing is recorded, the Council chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name.

All testimony shall be taken under oath; the oath shall be administered by the Council chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify.

Within five (5) days following the close of the hearing, the Council shall prepare and send to the Superintendent/President a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing and not on matters outside of that record. The record consists of the original accusation, the written response of the student, if any, and the oral and written evidence produced at the hearing as well as the investigatory file prepared by the District.

**Superintendent/President's Decision:**

**Long-term suspension.** Within five (5) days following receipt of the Council’s recommendation, the Superintendent/President shall render a final written decision. The Superintendent/President may accept, modify or reject the findings, decisions and recommendations of the Council. If the Superintendent/President modifies or rejects the Council’s decision, the Superintendent/President shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Superintendent/President shall be final.

**Expulsion.** Within five (5) days following receipt of the Council's recommendation, the Superintendent/President shall render a written recommendation to the Board of Trustees. The Superintendent/President may accept, modify or reject the findings, decisions and recommendations of the Council. If the Superintendent/President modifies or rejects the Council’s decision, he or she shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The Superintendent/President’s decision shall be forwarded to the Board of Trustees.

**Board of Trustees' Decision:** The Board of Trustees shall consider any recommendation from the Superintendent/President for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommendation.

The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures. (Education Code Section 72122)

The student shall be notified in writing, by registered or certified mail or by personal service, at least three (3) days prior to the meeting, of the date, time, and place of the Board's meeting.

The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.
Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board may accept, modify or reject the findings, decisions and recommendations of the Superintendent/President and/or the Judicial Council. If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Board shall be final.

The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District. The District may disclose expulsion information to other institutions where the student seeks to enroll and/or on the student’s transcript.

**Title IX Appeal Procedures:**

**Request for Hearing.** Within ten (10) days after receipt of the Vice President for Student Services’ or designee’s recommendation with respect to a Title IX complaint, either party may appeal the Vice President for Student Services’ or designee’s recommendation. Either party may request a formal hearing. The request must be made in writing to the Vice President for Student Services or designee.

**Schedule of Hearing.** The hearing will be scheduled within approximately ten (10) instructional days from receipt of the appeal. The hearing shall take place within the aforementioned timeframe unless both parties agree to an extension and the District also agrees to the requested extension.

**Hearing Panel (Judicial Council).** The hearing panel shall be composed of five individuals. One manager, who will serve as the panel chair, will be selected by the college President, two faculty members will be selected by the President of the Academic Senate, and two students will be selected by the President of the Associated Students. During the training session one member of the panel will be selected by the panel to be the official recorder of the findings and recommendations.

**Hearing Administrator.** The college President will select the Title IX Hearing Administrator (who is nonvoting). The role of the Hearing Administrator will be to:

- ensure equity and impartiality throughout the process
- answer any questions that alleged victims or alleged perpetrators may have
- serve as a resource and provide procedural advice to the panel
- provide training to the panel prior to the hearing

The District’s counsel shall be present at the hearing as a resource only.

**Preparation for Hearing.** The complainant and the accused will submit their witness lists, any evidence and other material which they expect to present at the hearing to the Office of the Vice President for Student Services no later than six (6) instructional days prior to the hearing. The District shall make witness lists, all evidence, any other material submitted by the parties, and the District’s investigation findings and supporting materials available to both parties no later than four (4) instructional days prior to the hearing.

- The panel will receive copies of all documentation provided to the alleged victim and the alleged perpetrator.
- Prior to the receipt of such documentation each panel member will receive notification of the parties involved and will sign a confidentiality statement.

The hearing will be recorded. Either party or both parties may request a copy of the recording. Either party may provide their own recording device or stenographer at their own cost. Witnesses who
refuse to be recorded or sworn in at the hearing may not testify. In the event the hearing is recorded, the Council chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name.

**Conduct of the Hearing.**

Witnesses shall remain sequestered and will only be present at the hearing while testifying.

The complainant will present evidence supporting her/his appeal first. The accused will not be present at this time. The complainant may ask witnesses to appear; may provide written witness statements; may use/refer to witness statements in the file; may use only her/his statement, either in person or provide a written statement in lieu of a personal appearance; or may use a combination of any of the above.

The accused will then have an opportunity to present evidence on her/his behalf. The complainant will not be present at this time. The accused may ask witnesses to appear; may provide written witness statements; may use/refer to witness statements in the file; may use only her/his statement, either in person or provide a written statement in lieu of a personal appearance; or may use a combination of any of the above.

There will be no opportunity for the complainant and the accused to confront one another nor will there be an opportunity for cross examination of witnesses. The parties may request that the hearing panel ask questions of witnesses or inquire into matters that either party believes to be relevant and necessary to a fair determination of this matter. The panel will direct any and all inquiries of witnesses and evidence. Formal rules of evidence shall not apply; any relevant evidence shall be admitted.

Testimony gathered during the investigation will be sworn testimony to the extent that this is possible without unnecessarily delaying the investigation.

Each party will represent themselves at the hearing.

A party may be accompanied at the hearing by someone of their choice to act as support and this person may not be an attorney. Each party must present their own case; neither party’s supporting individual may present their case.

Students who choose not to attend in person may present their case in writing.

If a student chooses not to present herself or himself at the hearing, the panel will still call witnesses, hear relevant testimony, and question witnesses. Under these circumstances the panel will determine which witnesses to call and the order in which the witnesses will be called.

The hearing shall be closed and confidential. The discussion, votes, informal polls, or actions taken by the hearing panel during deliberations may not be recorded or disseminated by any individual.

Within five (5) instructional days following the close of the hearing, the panel shall prepare and send to the Superintendent/President a written decision.

The decision shall include specific factual findings regarding each fact which underlies the allegation(s) of the Title IX complaint. The panel shall make this determination based upon the preponderance of the evidence standard.
The decision shall include a determination whether, based upon the factual findings, Title IX was violated.

The decision shall include whether any remedies, including but not limited to, those remedies found in the Office of Civil Rights’ Dear Colleague Letter dated April 4, 2011, will be provided to the victim. The panel may also recommend, as a remedy, that the District investigate and determine whether disciplinary action should be taken against the perpetrator.

A summary of remedies and relief provided by the District to date will be given to the panel.

The decision shall include whether the panel is upholding or modifying the decision of the Title IX investigator, and shall state what part(s) the panel is upholding and/or modifying.

The decision shall be based only on the record of the hearing and not on matters outside of that record. The record will consist of the oral and written evidence produced at the hearing as well as the investigatory file prepared by the District.

Within five (5) instructional days following receipt of the panel’s recommendation, the Superintendent/President shall render a final written decision. The Superintendent/President may accept, modify or reject the findings, decisions and recommendations of the panel. If the Superintendent/President modifies or rejects the panel’s decision, the Superintendent/President shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Superintendent/President shall be final.

**Immediate Interim Suspension** [Education Code Section 66017]: The Vice President for Student Services or designee may order immediate suspension of a student where he or she concludes that immediate suspension is required to protect lives or property and to ensure the maintenance of order. In cases where an interim suspension has been ordered, the time limits contained in these procedures shall not apply, and all hearing rights, including the right to a formal hearing where a long-term suspension or expulsion is recommended, will be afforded to the student within ten (10) days.

**Removal from Class** [Education Code Section 76032]: Any instructor may order a student removed from his or her class for the day of the removal and the next class meeting. The instructor shall immediately report the removal to the Vice President for Student Services or designee. The student shall not be returned to the class during the period of the removal without the concurrence of the instructor. Nothing herein will prevent the Vice President for Student Services from recommending further disciplinary procedures in accordance with these procedures based on the facts which led to the removal.

**Withdrawal of Consent to Remain on Campus**: The Vice President for Student Services or designee may notify any person for whom there is a reasonable belief that the person has willfully disrupted the orderly operation of the campus that consent to remain on campus has been withdrawn. If the person is on campus at the time, he or she must promptly leave or be escorted off campus. If consent is withdrawn by the Vice President for Student Services or designee, a written report must be promptly made to the Superintendent/President.

The person from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the period of the withdrawal. The request shall be granted not later than seven (7) days from the date of receipt of the request. The hearing will be conducted in accordance with the provisions of this procedure relating to interim suspensions.
In no case shall consent be withdrawn for longer than ten (10) days from the date upon which consent was initially withdrawn.

Any person as to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest. [Penal Code Section 626.4]

Emergency Mental or Physical Health Withdrawal and Readmission: Board Policy authorize the Superintendent/President to suspend any student for good cause for an indefinite period of time as prescribed by code. In addition to disciplinary action that may be taken under College policies and procedures, the College reserves the right to:

- A. Request or require a student to withdraw from the College for reasons pertaining to mental or physical health when the student’s behavior is a direct threat of harm to himself or others; or
- B. When a student’s mental or physical health-related behavior significantly disrupts the ability of other students, faculty or staff to participate in the educational programs or employment opportunities offered by the College.

Students who are withdrawn from the College by the Vice President for Student Services or designee pursuant to this policy may be considered for readmission following a determination by the Vice President for Student Services or designee that the behaviors precipitating withdrawal are, to his/her satisfaction, resolved or satisfactorily treated. The determination of readmission is made in conjunction with an ad-hoc Mental and Physical Health Advisory Team, which will be appointed by the Vice President for Student Services or designee in accordance with the needs of each individual case. In making a recommendation on readmission, the Team will consider information and relevant material submitted by the petitioning student. (Team members will often include representatives from Student Health Services, Counseling and Advising, DSPS and the Campus Police. In addition, instructional personnel may be invited as appropriate.)

Summary Suspension:

If, for reasons pertaining to mental or physical health, a student’s behavior:

- A. Poses an immediate and direct threat to him/herself or others; or
- B. The student’s behavior significantly disrupts the ability of other students, faculty or staff to participate in the educational programs or employment opportunities offered by the College.
