BP 2360 - Minutes

Reference: Education Code Section 72121(a)
Government Code Section 54957.5

The Superintendent/President shall arrange for minutes to be taken of all meetings of the Board. The minutes shall record all actions taken by the Board and be kept in sufficient detail to show compliance with the law. The minutes shall be public records and shall be available to the public.

If requested, the minutes shall be made available in appropriate alternative formats so as to be accessible to persons with a disability.
