BP 6520 – Security for District Property

Reference: Education Code Section 81600 et seq.

The Board believes that staff members must use every means possible to protect District buildings, property, and equipment. Any student, employee, or other person who willfully damages or destroys any property belonging to the District will be held liable for either the repair or replacement of such property. Any theft of, or damage to, District property must be reported to Campus Police.

The Superintendent/President or designee shall establish procedures necessary to manage, control, and protect the assets of the District, including but not limited to ensuring sufficient security to protect property, equipment, and information from theft, loss, or significant damage.
