If you are interested in extensive computerized review for the Butte College Math Assessment Test:

1. Go to the following website:  www.pearsoncustom.com/ca/butte_math/
2. Choose the appropriate review for you. There is one designed to help students assess into Math 217 or Math 108 (Prealgebra and Beginning Algebra). There is also one designed to help students assess into Math 124 (Intermediate Algebra) or a transfer level class.
3. Follow the on-screen instructions for how to register and pay for the program. Be sure to write down the Program ID before leaving the instruction page.
   - When you pay for the program, you will be given an Access Code to use for registration.
   - You will also need a valid email address and Butte College’s zip code, 95965.
   - Be sure to write down your username and password. Use them each time you login.
4. Once you have registered, go to www.mymathtest.com to access the program.
5. Login using the username and password you created when you registered.
6. On the homepage of your program, look under “Upcoming Assignments” to find your first assignment, which will be a pre-test to assess your starting point.
7. When you have finished the pre-test (and any subsequent test) you may view the problems you have missed to see the correct answer.
8. Check the email you gave when you registered to find further instructions (you may need to wait 5 – 10 minutes). You will be guided either to the Study Plan or to another test in the program, depending on your score.
9. When using the Study Plan, take advantage of all of the help buttons on the right-hand side of the screen. These provide video and written instructions for most topics.
10. If you have trouble registering, send an email to hauserju@butte.edu with “Review Program” in the subject line.
