**JOURNALISM**

**DEGREES**
- Photography, AS
- Journalism, AA-T

**PROGRAM HIGHLIGHTS**
The program provides students with a working knowledge of black-and-white and color photography, and fundamental laboratory and technical skills required for entry-level employment. The curriculum is designed to teach students to become independent.

The Journalism program prepares students to write simple and complex/long form news articles, build a portfolio of completed projects for student media that demonstrate a range of storytelling formats and effective design, and develop leadership and management skills as an editor.

**MUSIC – RECORDING ARTS**

**DEGREES**
- Recording Arts, AS

**CERTIFICATES**
- Recording Arts
- Recording Arts for Musicians

**PROGRAM HIGHLIGHTS**
- Hands-on teaching approach
- High-tech Recording Studios
- Industry Internships

The Recording Arts program provides students with fundamental to advanced knowledge and understanding of audio recording techniques and applications. Students learn audio recording methods and how to operate the equipment used in a professional recording studio.

**MULTIMEDIA STUDIES/GRAPHIC DESIGN**

**DEGREES**
- Multimedia Studies, AS
- Graphic Design, AA
- Graphic Design for Print, AA

**CERTIFICATES**
- Multimedia Studies

**PROGRAM HIGHLIGHTS**
- Diverse career options
- Drones/VR/3D Printing technologies
- Industry Internships

Multimedia Studies is a comprehensive program that recognizes the need to prepare the student for the world of work in today’s high-performance organization. This program promotes teamwork and professional-ism. Through an interactive, project-based curriculum designed to foster creativity, teamwork, and professionalism, the program students receive hands-on training in many areas of multimedia and graphic design. Students have access to a complete design and computer lab to aid in the development of job-related skills and techniques. Students learn to utilize current design software tools, processes and presentation methods.

**FASHION**

**DEGREES**
- Fashion Merchandising, AS

**CERTIFICATES**
- Fashion Merchandising
- Clothing Construction
- Fashion Design

**PROGRAM HIGHLIGHTS**
- Prepares students for a variety of employment opportunities
- Students prepare portfolio for the fashion industry
- Provides hands-on learning opportunities

The Fashion program gives the student the opportunity to delve into the inner workings of the fashion industry with many hands-on experiences. Fashion Merchandising emphasizes a hands-on approach to learning. Students working in teams, will research and develop their own line of clothing. Fashion Design students will develop a portfolio and learn to utilize current design software tools, processes and presentation methods.
