

MEMORANDUM OF UNDERSTANDING

The following memorializes the understanding of the Butte-Glenn Community College District (hereinafter referred to as "District") and the Butte College Educational Association (hereinafter referred to as "BCEA") in regard to SPECIAL LOADS.

Currently, under section 7.3.2 Special Loads of the BCEA contract, annual load hours are identified for specific courses/programs. For Administration of Justice/Law Enforcement (AJLE), the language specifically identifies courses "130 and above". In prior years, the entire AJLE curriculum had course numbers greater than 130 and all of the courses carry the same special load regardless of course number. With the addition of AJLE 1: Crisis Intervention Training, the language in the contract no longer matches current practice.

Since the department's intent is to have all courses carry the same special load regardless of course number, the language in the contract should be changed to read: "Administration of Justice/Law Enforcement (AJLE) – (48) hours".
