## Developing Capable Young People

Developing Capable Young People is a phenomenal parenting series created and developed by H. Stephen Glenn. The premise of this parenting approach is to work with youth's perceptions of themselves and the world. Giving youth the messages: You are SIGNIFICANT, You are CAPABLE, You have INFLUENCE, and You are NEEDED, truly can change a youth's life for the better! Come learn how to apply this model of parenting and influence your own life as well! Lisa will focus instruction on how to apply this model to your specific needs/situation. Problem solving for parents/support staff attending this class will be a priority in any class session. Have you already taken the series and need a refresher? Come and join us!!!!
