Four steps to teaching responsibility, the COOL formula, guiding your youth to solve the problem, four parenting types, their problem your way, enforceable statements, one-liners, letting empathy and consequences teach... Want to know more? Come to the Love and Logic two day intensive!

Nine weeks of training in just two days! How will she do it??? Come and find out! Your favorite class is offered in hyper speed! All of the great information in a two day format for those of you who want a refresher, cannot commit to nine weeks of training, or want your spouse/loved ones to join the team! Don't miss out on a great opportunity!

Love and Logic is a cornerstone for any caregiver wanting a practical, no-nonsense approach to parenting! Come join Ronda and learn how to talk to your youth so they will listen, learn and change behavior. Learn about a very effective parenting style, and logical formulas you can use to teach your child personal success. This curriculum is comprehensive, fast-paced, fun, and it makes sense! Anyone caring for youth will benefit from this training. Ronda will focus instruction on how to apply this model to your specific needs/situation. Problem solving for caregivers attending will be a priority in the class sessions.

### **Friday Trainings:**

***9am to 4pm with a one hour no-host lunch***

Today you will learn about what Love and Logic is and how it works. You will also discover what type of caregiver you are and what type of caregiver you can strive to be. Learn about winning the war with control battles by giving away some control...choices, choices, choices! We will wrap up the day by learning about the value of allowing your youth to own their behavior, own their problems, and own their consequences! Less work for you, more thinking for them!

### **Saturday Trainings:**

***9am to 4pm with a one hour no-host lunch***

Not much review and moving right into the value of delayed consequences and enforceable statements- turning your word from garbage to gold. This is Where you find out how to use Paradoxical techniques and locking in empathy while letting the consequences do the teaching. Ever wanted to pull off a great strategic training session? No time like the present! Come and join the fun!
