INTRODUCTION TO SERVICE LEARNING is for students who have an interest in linking community service with academic learning. It is based on a co-operative effort between the student, a faculty member, and a community based organization while volunteering to help make a difference in the community. Volunteer 20 hours and complete the course assignments to earn a transferable unit!

- Earn 1 Transferable Unit
- Flexible Instruction (Online or Workbook)
- Looks great on University and Scholarship Applications
- Hands-on Learning & Experience
- Earn Special Recognition
- Strengthen Your Resume
- Gain an Understanding of Your Community
- Linked to Your Course of Study
- Volunteer on Campus or in the Community
- Assist with Make a Difference Day, Sustainability Projects, or other Special Projects

“Addressing Community Needs through Student Learning.”
