Only the following types of courses may be designated as repeatable:

- Courses for which repetition is necessary to meet the major requirements of CSU or UC for completion of a bachelor's degree; and
- Intercollegiate athletics courses; and
- Intercollegiate academic or vocational competition courses, where enrollment in the course and courses that are related in content is limited to no more than four times. This enrollment limitation applies even if the student receives a substandard grade of "W" during one or more of the enrollments in such a course or petitions for repetition due to extenuating circumstances.
