AP 4229 – Course Repetition – Variable Units

Approved by Leadership: June 2014

Reference: Title 5 Sections 55044

Students may be permitted to enroll in variable unit open-entry/open-exit courses as many times as necessary to enable them to complete the entire curriculum of the course once.

Students may not repeat variable unit open-entry/open-exit courses unless:

- the course is required for legally mandated training; or
- the course is a special class for students with disabilities which needs to be repeated; or
- repetition of the course is justified by extenuating circumstances; or
- the student wishes to repeat the course to alleviate substandard work.

Whenever a student enrolls in a physical education activity participatory course offered for open-entry/open exit, the enrollment will count as a repetition of the course.
