

AP 4230 Grading and Academic Record Symbols

References: Title 5 Sections 55023, 55024, 55051, 55052, and 55052.5

Approved: April 2015

Last Revised: May 2025

Last Reviewed:

Grades from a grading system shall be averaged on the basis of point equivalencies to determine a student's grade point average (GPA) using only the evaluative symbols below. Non-degree applicable credit course grades are excluded when determining GPA for awarding degrees.

Evaluative Symbols:

A – Excellent (grade point = 4)

B – Good (grade point = 3)

C – Satisfactory (grade point = 2)

D – Less than satisfactory (grade point = 1)

F – Failing (grade point = 0)

FW – Failing, ceased participating (grade point = 0)

P – Passing (at least satisfactory – units awarded not counted in GPA)

NP – No pass (less than satisfactory, or failing – units not counted in GPA)

SP – Satisfactory progress toward completion of the course (used for noncredit courses only and is not supplanted by any other symbol)

Non-Evaluative Symbols:

I – Incomplete: Incomplete academic work for unforeseeable, emergency, and justifiable reasons. The condition for the removal of the "I" will be stated by the instructor in a written record. The record will contain the conditions for the removal of the "I" and the grade assigned in lieu of its removal. The record must be given to the student with a copy on file with the registrar until the "I" is made up or the time limit has passed. A final grade will be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed. The "I" may be made up no later than one year following the end of the term in which it was assigned. The "I" symbol will not be used in calculating units attempted nor for grade points.

IP – In Progress: The "IP" symbol will be used only in courses that extend beyond the normal end of an academic term. It indicates that work is "in progress," but that assignment of an evaluative symbol (grade) must await its completion. The appropriate evaluative symbol (grade) and unit credit shall be assigned and replace the IP symbol once the course is completed.

RD – Report Delayed: The “RD” symbol may be assigned by the registrar only. It is to be used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is a temporary notation to be replaced by a permanent symbol as soon as possible. “RD” shall not be used in calculating grade point averages.

W – Withdrawal: The “W” symbol may be used to denote withdrawal in accordance with the requirements of Title 5 Section 55024.

MW – Military Withdrawal: The “MW” symbol may be used to denote military withdrawal in accordance with Title 5 Section 55024.

EW – Excused Withdrawal: The “EW” symbol may be used to denote withdrawal in accordance with Title 5 Section 55024.

CPL – Credit for Prior Learning: The “CPL” symbol may be used to denote credit earned through successful completion of an International Baccalaureate examination, College Level Examination Program examination, Advanced Placement examination, or another experience, examination or assessment of prior learning, if the District determines that such prior learning satisfies the District’s standards for measuring competencies comparable to those achieved in baccalaureate or general education level courses. Standards for satisfactory completion of a prior learning experience, examination, or assessment will be approved by the faculty in the appropriate discipline for which prior learning credit is earned.
