The District has a 65-page Student Equity Plan which was developed by the Student Equity Committee and was approved by the Board of Trustees on February 18, 2009. The plan is filed as required by the California Community Colleges Chancellor's Office, following approval by the Board. The Student Equity Committee is currently in the process of finalizing the updated Student Equity Plan based on the updated requirements for the Chancellor's Office. The new plan will be submitted to the Chancellor's Office during the fall 2014 semester and will address:

- Active involvement of the groups on campus.
- Involvement by appropriate people from the community who can articulate the perspective and concerns of historically underrepresented groups.
- Campus-based research as to the extent of student equity.
- Institutional barriers to equity.
- Goals for access, retention, degree and certificate completion, English as a Second Language (ESL) and basic skills completion, and transfer for each historically underrepresented group.
- Activities most likely to be effective to attain the goals.
- Sources of funds for the activities in the plan.
- A schedule and process for evaluation of progress towards the goals.
- An executive summary that describes the groups for whom goals have been set, the goals, the initiatives that the District will undertake to achieve the goals, the resources budgeted for that purpose, and the District officer or employee who can be contacted for further information.

The Student Equity Plan shall be developed, maintained, and updated under the supervision of the Student Equity Committee.
