The Superintendent/President will arrange for minutes to be taken of all meetings of the Board. The minutes will record all actions taken by the Board and be kept in sufficient detail to show compliance with the law. The minutes will be public records and will be available to the public on the District's website once approved by the Board.

If requested, the minutes will be made available in appropriate alternative formats so as to be accessible to persons with a disability.

There are no administrative procedures for this policy.
