The superintendent/president will ensure the District complies with the accreditation process and standards of the Accrediting Commission of Community and Junior Colleges and of other District programs that seek special accreditation.

The superintendent/president will keep the Board informed of approved accrediting organizations and the status of accreditations.

If state, regional, or national accreditation standards exist for a District's program, personnel in that program will seek to become accredited if required for the educational benefit of the students.

The superintendent/president will ensure that the Board is involved in any accreditation process in which Board participation is required.

The superintendent/president will provide the Board with a summary of any accreditation report and any actions taken or to be taken in response to recommendations in an accreditation report.
