The Superintendent/President shall ensure that the District has and implements a broad-based comprehensive, systematic, and integrated system of planning that involves appropriate segments of the college community and is supported by institutional effectiveness research.

The planning system shall include plans required by law, including, but not limited to:

- Long range Educational or Academic Master plan, which shall be updated periodically as deemed necessary by the Governing Board
- Facilities Master Plan
- Equal Employment Opportunity Plan
- Student Equity Plan
- Student Success and Support Program Plan

The planning system shall include other plans, including, but not limited to:

- Technology Master Plan
- Outcomes Assessment Plan
- Foundation Fundraising Plan

Long range planning for other programs is accomplished through a combination of program review and unit planning.

The Superintendent/President shall submit to the Board those plans for which Board approval is required by Title 5.
