The Butte College Dining Services shall provide services for the benefit of students, staff, and the general public, operating in a manner consistent with professional food service establishments and sound business practices.

These services include retail food and beverage sales, catering sales, special event concessions, and vending machine contracts. Dining Services will operate as a business, and recover, in whole or in part, the cost of providing these services, primarily through user charges. Butte College Dining Services shall be given first consideration to provide catering services for all college-sponsored events, both on and off campus, to include other district owned, leased, or rented property.

Fiscal management of Dining Services shall be in accordance with the California Community Colleges Budget and Accounting Manual. An annual audit of the records and accounts of Dining Services shall be provided to the Board.

There is no administrative procedure for this policy.
