Background Information for AP 4030 Academic Freedom

The AP 4030 Academic Freedom version agendized for the 10/7/26 Academic Senate meeting includes revisions made in response to feedback presented at the last meeting as well as answers to questions and comments made. The answers are at the end of the document, and the revisions show in red on the "REDLINED" pdf posted here. There is also a "CLEAN COPY" posted if that is easier for people to read. Thank you all for the feedback at the last meeting; it helped improve the document.
