NOTES

1. Equivalency Committee Bylaws

Academic Senate President Vickery presented the Equivalency Committee's revised bylaws, noting that College Council previously reviewed this document and returned it to the committee. Subsequently, article 5B was changed to define how special meetings are handled. New language allows the committee chair to review and act on applications in urgent situations but encourages the chair to work with committee members who are available. Academic Senate President Vickery explained the importance of clearly defining the process in the event of a special meeting. College Council discussed the revisions.

It was moved by Academic Senate President Vickery, seconded by MSC Representative White, to approve the bylaws as presented. Motion passed unanimously.

2. Strategic Initiatives 2-4 Tracking

College Council reviewed every action item under strategic initiative two, three, and four in the strategic plan, identifying the person or committee accountable for each action item and the person or committee responsible for each action item. They will continue with initiatives 5-6 at the next meeting.
