“We do not learn from experience... we learn from reflecting on experience.”— John Dewey

We voted to keep highlighted sentence highlighted.

Levels of learning outcomes should just be a text box.

Define general education more.

Ask institutional research person about better way to do survey in google forms.

Explain the difference between SLO and cSLO.

- A. One goal of the edits is to help departments complete and PLO assessments.
- B. I added a question to the end – what do you think about it?
- VI. Review updated summary of SLO Reflections
 - A. Thoughts on the results?
 - B. Maybe this could be one of our Dialog Days, along with the CCSSE discussion.
- VII. 3:30 Student Service SLO update

Cutting back from 100+ to about 30 things to report on

Division will still be coming up with 2 or 3 SLOs to assess, revise, etc.

CAS will be the exception, they will keep their SLOs and keep doing their cycle.

But rest of the reporting will be focused more on Student Outcomes (not Learning Outcomes)

- VIII. CCSSE Data and January Flex. Alan Raetz attending Nov 7 meeting.
- IX. How can we work together with the Academic Senate to help departments assess PLOs? Do we want to propose something for Institute Day? Maybe connect with Guided Pathways or COIs?
- X. Future
 - A. Review Bylaws (every year)
