- V. Review [Charter](#)

Reach out to Jess to start the process for replacing Brooke now so that person is in place for FA25 when Brooke is gone.

Still checking to see if Julie needs to be “elected by the Academic Senate”.

Waiting to hear back from Erik about verbiage. Julie will follow up with him.

Took specific times out of Charter but left them in By-laws so that it would be easier to adjust if needed.
- VI. Review [Bylaws](#) (for reference: [ACCJC Accreditation Standards 2024 with Review Criteria and Suggestions for Evidence](#))

Copy and pasted scope and duties from adjusted ones from the Charter, as well as the terms of membership. Waiting to find out from Erik on how the coordinator is selected.

Subcommittee language changed.

Now we will send these off and see what Academic Senate thinks of what we wrote.
