IV. Public Comments

- A. (Mar) Question about if our culture could be to review previous meeting's minutes before the meeting

Most people think this is manageable, and reasonable. We will do our best!

(Mention that other committees to do this).

- B. (Corey) Question about moving to using a SharePoint Folder

V. SLO Reflection form for Spring 2026

- A. Add a question to capture reflection on changes made since the last reflection?
- B. Shorter term classes will need the form soon.
- C. Added definitions to the terms
- D. Some updates last semester based on common course numbering changes
- E. Changed the course number digit count to 6 and added a note that it is NOT the control number some examples.
- F. And so on with updating and fine tuning....

- G. A lot of discussion on how to input our results and add a component to close the loop, we want to add a question that ties back to the previous time it was accessed, changes, improvements ect.
- H. We will go over this an move to an action item on our next meeting

Meeting adjourned: 5:00pm

Motion: Blaire; Second: Corey; all approved
