Makerspace Faculty Fridays: 3D Printing X-treme

Friday, October 16, 2026, 10:00 to 11:00 a.m.

Faculty will learn advanced printing techniques and discover ways to integrate 3D printing into classroom activities and projects.

– *Makerspace*

Undocumented Student Success Week 2026

Join the Butte College UndocuCenter in honoring **Undocumented Student Success Week (October 19-22, 2026)!**

Throughout the week, we invite students, staff, and faculty to participate in our campus events and the statewide California Community Colleges webinar series. The webinars will bring together community

organizations, legal service providers, researchers, and CCC practitioners to share resources, promising practices, and strategies to support undocumented and immigration-impacted students. Daily webinars will be streamed at **9:00 AM in the UndocuCenter (SSF-102)**. Please review the statewide

webinar schedule and our  local campus flyer for opportunities to participate throughout the week. For questions, please contact Brenda Rodriguez at rodriguezbr@butte.edu.

VIII. Public Comments

IX. Business:

a. Computer Science Club Proposal Request Action 10 Minutes

The Computer Science Club would like to request funds up to \$104.88 for the club to have their own Minecraft server. This would allow the club to have a platform where all club members can play together that will increase camaraderie and create a platform where they can assist each other with schoolwork questions.

b. Symbiotic Solutions Club Proposal Request Action 10 Minutes

The Symbiotic Solutions Club is requesting funds up to \$973.80 for the Mendicino Mushroom Festival for activity tickets to attend. This event would help them learn more about mushrooms and mushrooms foraging in a new location. The club is also paying \$500 out of pocket for accommodation.

X. Student Input for Campus Participatory Governance Committees

XI. Club Questions, Comments, and Concerns

XII. Adjournment
