Butte College Inter-Club Council

Meeting Minutes

Date: Tuesday, September 15, 2026

Location: CC116 Main Campus and Zoom: <https://butte-edu.zoom.us/j/88668117263>

I. Call Meeting to Order

Gabe Santyo called the meeting to order at 9:33am.

II. Adopt Agenda

Josh From Robotics Club motioned to adopt the agenda. Erza from Clay Club seconded the motion. No discussion. All in favor. Motion passes.

III. Approval of Previous Meeting Minutes: 09.01.2026

Anastasia motioned to adopt the previous meeting minutes. Josh from Robotics Club seconded the motion. No discussion. All in favor. Motion passes.

IV. Officer's Reports

Gabe– Today the Student Senate is having their Voter Registration event to help students register to vote at the campus center from 10am – 1pm.

Brian– Club Breakfast is happening soon, next month on October 14th from 8:30am – 10:30am at the main campus center student lounge. Clubs can also start requesting funds if you have attended two consecutive meetings. The proposal form can be found on the Student Life website.

V. Advisor's Report

Karla Guzman Mohedano – Belonging at Butte is here! It's happening Wednesday, September 23 from 10am – 1pm at the Main Campus. Sign up is open and was sent out to both club advisors and ICC Reps last week! The last day to sign up is this Friday, September 18th by 11pm.

VI. Club Reports:

- **Native American Club** - This past weekend we took 2 students to the Acorn Festival to watch cultural dances and learn about hand games. We are planning to take a trip with the Native Center to the capital in Sacramento for National Native American day and host potential fundraisers for future trips. Also planning to table at Belonging at Butte and host a joint club meeting with Chico State Tribal Club.

- **Accounting and Finance Club** – Last meeting is Welcome night. We introduced the club and reviewed meeting themes this semester. We also introduce club officers to club members and recruit some volunteers for officer positions. Lastly, we discussed the Belonging at Butte event and gathered volunteers helping with the event.
- **STEM** – At our last meeting we picked new students for our leadership roles this semester.
- **SHPE** – We've had 2 meetings, created SHPE accounts to register for the national conference next month in October in Indianapolis, hosted a resume workshop with our advisor, and talked about involvement opportunities on campus.
- **Motorsports Club** – Our last meeting was on September 11. We are going to volunteer for the Chico Car Show on September 26th and submit a student senate grant to attend the SEMA Conference in November.
- **Robotics Club**– We started the robotics project for the semester and are in the ideation phase. Also planning to host another robotics competition on campus this semester on December 1st.
- **Friends of the Refuge**- We hiked down to the creek to check on water flow where the dam was removed. Discussed mapping out the creek in a future meeting to see where some potential hazards might be in the future. Looked at some of the art building landscapes that show quite a bit of dead foliage. Checked on a tree in the creek that is creating a dam. Made plans to remove the dam in a future meeting.
- **Environmental Horticulture Club**- At this week's meeting we discussed dates for upcoming plant sales and what days of the week would be best for everyone. We also discussed ideas about planting more native plants in the nursery to help support local pollinators. We are trying to get a larger sign made for the EH department as well so it's easier for people to locate the nursery, so we went over ideas on how to get that accomplished.
- **Welding Club** - The club met on 9/24/2026 and they got a head count of everyone who wanted jackets and hats for each class. They will be holding an event for team building activities like brother in lawing welding pipe. They also will be making a flyer with a QR code for everyone to scan to account for size and quantities of hats and jackets. The club also wants to find an AWS meeting and plan to go to it.
- **Ag Ambassadors** -
- **PTK**-
- **Women in Trade**-
- **Figure Drawing Club** -
- **Japanese Conversation Hour**-
- **Volleyball Club**-
- **GSA** –
- **Sculpture Club** – Sculpture Club is meeting on Thursdays from 3:30-5:00pm starting Sept. 24, 2026. We are participating in the pumpkin decorating contest. We are making commemorative candles for a fellow art student that recently passed. We plan to make bronze sculptures this semester. We will be making candles as fundraiser items to sell at campus events when possible. We have 2 new members and 9 returning members.
- **Clay Club** – We are excited about tabling at Belonging at Butte and plan to have two demos for people to watch and participate like playing with clay and mud. Also planning to have more sales and join club evets with sculpture club.

- **Adventure Club** - will be hosting their first meeting this week to raise club membership. Also planning to be at the tailgate party during homecoming and planning other events for the semester. The club is planning to go to Burney Falls for veterans' day, potentially in November. For belonging at butte, we plan to teach people how to set up tents and how to camp. We have students that have never done that, so this will be the first time.
- **Computer Science Club** – We have hosted two meetings since the semester started. We elected new leadership roles, went over funds and what we can do this semester, and are planning to request ICC funds to buy computer science games.
- **Symbiotic Solutions** - We meet every Friday in the science building 142. At the September 4th meeting we decided we need a new shelf for our mushroom fridge and replace other parts to continue working. We are also planning to hike the Brad Freemail trail in Oroville next weekend.
- **CNSA** - The ICC representative provided updates regarding upcoming CNSA activities, including conference planning, apparel sales, See's Candy fundraising, CNSA cord requirements, and the October 30 Fall Festival. The group also discussed creating a social media platform to promote CNSA, committee opportunities, and completing the leadership form for the NSNA Honor Society.
- **S.O.D.A-** We had a Zoom meeting recently and restructured some officer positions. We are thinking about having a hot cocoa fundraiser. Most of our club are now new members.
- **Ag Leadership** - Over the last two meetings we have elected officers, discussed plans for conferences and outreach events, and started to plan out our year. We will be attending the California Ag ambassador conference at Chico State at the end of October and have started to plan our trip to the FFA state convention in the spring. Our final discussions were about our financial standings and upcoming community service events we will be helping at.
- **Volleyball Club**-The last meeting was last Thursday, and we gathered club member information for outreach, introduced the club and set club meetings on the gym calendar for the semester and completed our registration.
- **Puente Club**-We had our last meeting on September 4th, where we finalized the details of our SF trip in November and did some planning to table at Belonging at Butte next week.
- **Figure Drawing Club** -The first meeting is happening today! 4:30 at the chico center and we will discuss what our club wants to do this semester.
- **SACNAS**- We meet in the SI building 203. Last meeting we played a Native American game and introduced new games for our members. We enjoy teaching cultural practices to our students to keep our culture practices passed down. We are meeting next Wednesday with a guest speaker, tommy cox to talk about his glacier's studies.
- **Asian Pacific Islander & Desi Student Union**- We communicated that meeting times will happen every second-to-last Tuesday every month, 11:30-12:30 (December. And, because we are still developing our club, we're also looking for a finance officer to add to the agenda. Lastly, we are currently developing an Instagram page to push our club out to more students.

VII. Announcements

Fall Plant Sale is Coming Soon

It's that wonderful time of year - the evenings are cooling down, the days are getting shorter, and it's the perfect time of year to plant in your garden! Good thing the Butte College Environmental

Horticulture Department and Club are having their  annual fall plant sale ! Friday and Saturday October 9 and 10, from 9:00 a.m. to 4:00 p.m. both days! And to make it even better, this is in

conjunction with the  local nursery crawl and our Bountiful Butte Harvest Festival! 16 local nurseries will be open Friday and Saturday for the local nursery crawl, and the Harvest Festival will be happening right next to the nursery on Saturday! You don't want to miss out on this epic weekend!

VIII. Public Comments

IX. Business

a. Belonging at Butte Club Booth Prize Action 15 Minutes

Karla Guzman Mohedano is asking the board to discuss and approve the Belonging at Butte Club Booth Competition prize. We are asking students for their input on whether the booth competition prize should remain the same in rewarding the 1st, 2nd, and 3rd place winners or only have one club winner and award participating clubs with an incentive amount for participating at the event.

Ivan from SHPE motioned to approve up to \$1,000 which includes \$50 for the first 15 clubs to sign up for Belonging at Butte and the \$250 for the winner of the Club Booth Competition. Brock from Motorsports Club seconded. No further discussion. All in favor; Motion passed.

X. Student Input for Campus Participatory Governance Committees

XI. Club Questions, Comments, and Concerns

XII. Adjournment

Celestina from Native American Club motioned to adjourn the meeting. Brock from Motorsports club seconded. Meeting adjourned at 10:07am.
