MISSION STATEMENT

Butte College is a student-ready, rural community college that provides high-quality, accessible education and support. Our career and transfer pathways cultivate curiosity and critical thinking through instruction, workforce training, and the achievement of associate degrees and certificates. Butte College is a Hispanic-Serving Institution that affirms its commitment to equity for the diverse, intersectional communities we serve.

LAND ACKNOWLEDGEMENT

We acknowledge that Butte College and its satellite campuses stand on lands that were originally occupied by the first people of this area, and we recognize and honor the Maidu, Wintun, Wailaki, and Nomlaki Tribes. We thank them for their strength and resilience in protecting this land for centuries and aspire to uphold our responsibilities according to their example. In offering this land acknowledgement, we affirm Native American sovereignty, history, and experiences.

Access the closed captioning streaming service for commencement:

For the safety of everyone, guests must remain off the field at all times. Please meet your graduate after the ceremony at the goalpost area near the entrance or at the reception. Thank you for your cooperation.

Immediately following the ceremony, graduates and guests are invited to a reception held on the gymnasium lawn to enjoy refreshments, take a photo with our mascot Dash, and enjoy music.

ACADEMIC REGALIA

THE PAGEANTRY

The pageantry of commencement has its roots in medieval times, dating to the early traditions of Europe's first universities. For centuries, academic dress has been associated with learning. Its origin is considered to be ecclesiastical, though the gown of medieval scholars may have developed out of the ordinary civilian costume of an earlier period. The medieval scholar was often a monk or clergy who found the hood and gown protection against the cold of the unheated buildings. The sleeves of the gown were used for carrying books and supplies.

AMERICAN ACADEMIC REGALIA

American academic regalia was standardized in 1895. A cap and gown indicate that the wearer is a member of a university or college, and an additional hood denotes the wearer has obtained a four-year degree or higher.

THE GOWNS

The gowns are usually black with three types of sleeves and three types of hoods denoting either a bachelor's, master's or doctorate degree.

THE CAP

The cap is called a mortarboard or a tam. The tam is worn only by individuals who have earned a doctorate.

THE HOOD

The hood is draped over the shoulders and down the back. The trimming of velvet is in the color that represents the subject of the degree, and the lining of silk is the color or colors of the college or university granting the degree. The length of the hood varies with the level of academic achievement with the doctorate hood being the longest.

THE TASSEL

The tassel is fastened to the center button on the top of the mortarboard or tam and is worn in the left front quadrant by those who have obtained a degree. The tassel may be the color of the institution, the major field of learning in which the degree is conferred, or it may be gold, indicating some type of honor has been achieved. At Butte College, graduates wear gold tassels to represent the college's color.

FEATURED GRADUATES

REECE OCTOBER Student Speaker

Reece October is from Port Elizabeth, South Africa. She has attended Butte College since fall 2021, and is earning an Associate Degree for Transfer in Arts in psychology and an Associate in Arts in social and behavioral science.

After graduating, Reece will transfer to Saint Peter’s University in New Jersey to pursue an accelerated master’s program in industrial-organizational psychology. She hopes to work as a behavioral analyst and ultimately pursue a doctoral degree in industrial-organizational psychology to become a board-certified behavioral analyst.

Reece says that Butte College faculty encouraged her by providing her with professional development and training, encouraging her to come out of her shell. Staff and faculty support made Reece feel like she had family on campus, which was especially important because she was so far from home. Faculty helped Reece gain a sense of belonging and build her confidence. Campus became Reece’s safe haven where she felt secure enough to explore her own intersecting identities.

One of Reece’s favorite Butte College experiences was working on campus. Being a student assistant allowed her to engage with students and make a difference in the lives of others. Along the way, she met students she wouldn’t otherwise have met and contributed to Butte’s student-first culture.

AMANDA MEYERS Student Vocalist

Amanda Meyers grew up in Chico. She has attended Butte College since fall 2020, and is earning an Associate in Arts in social and behavioral science and an Associate in Arts in language arts.

After graduating, Amanda will transfer to Chico State to pursue a Bachelor of Arts in communications. She hopes to become a professional videographer.

Amanda praised Butte College’s staff for being “super nice” and helping her navigate college life. She appreciates the flexibility offered for working students. Amanda’s favorite Butte College experience was her time in Jacob Vasquez’s animal science class where she enjoyed the field trips to see farm animals. She appreciated the effort he put into making the class fun and engaging for everyone.
