Our career and transfer pathways cultivate curiosity and critical thinking through instruction, workforce training, and the achievement of associate degrees and certificates. Butte College is a Hispanic-Serving Institution that affirms its commitment to equity for the diverse, intersectional communities we serve.

## LAND ACKNOWLEDGEMENT

We acknowledge that Butte College and its satellite campuses stand on lands that were originally occupied by the first people of this area, and we recognize and honor the Maidu, Wintun, Wailaki, and Nomlaki Tribes. We thank them for their strength and resilience in protecting this land for centuries and aspire to uphold our responsibilities according to their example. In offering this land acknowledgement, we affirm Native American sovereignty, history, and experiences.

For the safety of everyone, guests must remain off the field at all times. Please meet your graduate after the ceremony at the goalpost area near the entrance or at the reception. Thank you for your cooperation.

Immediately following the ceremony, graduates and guests are invited to a reception held on the gymnasium lawn to enjoy refreshments, take a photo with our mascot Dash, and enjoy music.

# ACADEMIC REGALIA

## THE PAGEANTRY

The pageantry of commencement has its roots in medieval times, dating to the early traditions of Europe's first universities. For centuries, academic dress has been associated with learning. Its origin is considered to be ecclesiastical, though the gown of medieval scholars may have developed out of the ordinary civilian costume of an earlier period. The medieval scholar was often a monk or clergy who found the hood and gown protection against the cold of the unheated buildings. The sleeves of the gown were used for carrying books and supplies.

## AMERICAN ACADEMIC REGALIA

American academic regalia was standardized in 1895. A cap and gown indicate that the wearer is a member of a university or college, and an additional hood denotes the wearer has obtained a four-year degree or higher.

## THE GOWNS

The gowns are usually black with three types of sleeves and three types of hoods denoting either a bachelor's, master's or doctorate degree.

## THE CAP

The cap is called a mortarboard or a tam. The tam is worn only by individuals who have earned a doctorate.

## THE HOOD

The hood is draped over the shoulders and down the back. The trimming of velvet is in the color that represents the subject of the degree, and the lining of silk is the color or colors of the college or university granting the degree. The length of the hood varies with the level of academic achievement with the doctorate hood being the longest.

## THE TASSEL

The tassel is fastened to the center button on the top of the mortarboard or tam and is worn in the left front quadrant by those who have obtained a degree. The tassel may be the color of the institution, the major field of learning in which the degree is conferred, or it may be gold, indicating some type of honor has been achieved. At Butte College, graduates wear gold tassels to represent the college's color.

# FEATURED GRADUATES

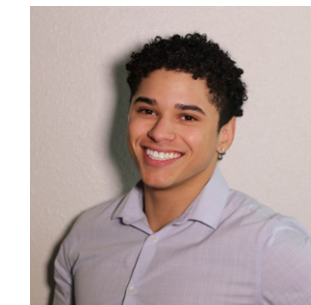

## MACIE DENTONE Student Speaker

Macie Dentone, Butte College's 2024 Student Speaker, knew she wanted to attend a supportive institution that provided high-quality courses, with a rural and agricultural background. Hailing from the rural town of Plymouth in Amador County, Macie's upbringing on a cattle ranch

fostered her deep connection to agriculture and instilled values of hard work and resilience. Drawn by Butte College's commitment to financial aid and support, particularly through the Butte College Promise Program, Macie found her educational home. The college's diverse programs and a seamless transfer agreement with Chico State University sealed her decision.

At Butte, Macie thrived in an environment that nurtured her curiosity and critical thinking skills. Welcomed warmly by professors, she found herself embraced by a community that propelled her forward. Mentorship from Jacob Vasquez, an agriculture business instructor, further fueled her passion for leadership and skill development. Now, equipped with a wealth of knowledge, Macie looks ahead to pursuing a bachelor's degree in agricultural business at Chico State. Her journey, from the ranches of Amador County to the halls of academia, exemplifies resilience, determination, and the unwavering pursuit of one's dreams. As she stands poised to address her fellow graduates, Macie Dentone embodies the spirit of Butte College — a spirit of growth, community, and limitless possibility.

## RYAN COTTON Student Vocalist

Ryan Cotton grew up in Palm Springs, California. He has attended Butte College since the fall of 2022, and today he is earning an Associate of Arts Degree for Transfer in Music.

During his time at Butte, Ryan has demonstrated his abilities as an accomplished musician in multiple ensembles and performance settings as a soloist and section musician. He has played French horn, trumpet and guitar; sung; and composed for the Butte College Symphonic Band, Jazz Band, Pop Band, and composition course. Additionally, he has performed as a solo musician at many Butte College events. After graduating, Ryan will transfer to California State University, Northridge, to pursue a degree in music industry studies with a minor in data science. Ryan wants to find a career that utilizes his passion for music while also supporting his family back home.

Ryan's professors praise his dedication, determination, and kindness on top of his outstanding musicality, and they are tremendously proud of his accomplishments and future successes!
