

Butte College Class Schedule — Fall 2026

Data current as of Wednesday, August 12, 2026 at 6:05 AM. Generated Thursday, August 13, 2026 at 4:21 AM.

A printed schedule is a snapshot, and classes keep changing after it is taken. Sections are added, cancelled, and moved every week — especially right before the semester starts. A fresh copy of this document is produced every morning; cancelled sections are not listed, and the Recent Changes section at the end of this document lists what changed in the last 7 days, including cancellations. Before you make plans around a class, confirm it in Self-Service or on the online schedule, which are always up to the minute. Open-seat counts ("Seats") are from the morning this copy was generated and change all day.

Un horario de clases es solo una representación, y las clases pueden seguir cambiando después de haberlo recibido. Cada semana se agregan, se cancelan y se cambian secciones, especialmente antes de que empiece el semestre. Este documento se produce cada mañana con los datos de programación en vivo de la Universidad, y la sección de «Cambios recientes» al final de este documento muestra los cambios de los últimos 7 días, incluidas las cancelaciones. Antes de hacer planes para una clase, confírmela en Self-Service, que siempre está al día. Los asientos disponibles corresponden a la información de la mañana y pueden cambiar a lo largo del día — una clase con asientos disponibles puede llenarse por la tarde.

1329 open sections · 125 late-start (⊖) · 8 added in the last 7 days (+). Markers: + new · ⊖ late start · △ online/hybrid · ☾ evening.
